KENTUCKY STATE YOUTH CONVENTION
SPEAKER, SCHEDULE, REGISTRATION &
GENERAL INFORMATION

2024 KSYC SPEAKER

MARK SHANER

Since the start of his relationship with Jesus as a teenager, Mark has sought to serve the Lord in all he does. With a degree in social work and missions, and a master's in ministry, Mark has served the local church in youth ministry for around 40 years. He has been sought after to speak and teach at various conventions, led countless mission trips with young people, and discipled at least 50 students that went on to pursue full time ministry. In 2019, Mark transitioned to the role of the southeast regional coordinator for the National Network of Youth Ministries, bringing together youth pastors to encourage them, equip them, and give back out of his years of experience!

Mark and Vickie, his wife of 40 years, are proud parents to 4 grown children, each currently serving in ministry. While young people and those who serve them are a passion of Mark's, he understands his greatest calling is to his family. In his free time, Mark enjoys cycling, connecting with people, and spending time with his grandchildren.
