

Emily Kaskey – Kids Camp Director

My name is Emily Kaskey and this will be my fourth year directing Kids Camp at Camp Lyons! I have been married to my husband, Aric, for almost 3 years now and we have two precious foster sons and a doggo named Bailey. I grew up going to summer camp and I cherish the memories as some that brought me the closest to Jesus. I believe there is power in escaping mundane routine, and just maybe our comfort zones, to see Jesus come to life in our own hearts. I am praying for your kiddos already as you prayerfully consider sending them to camp and I trust that Jesus will meet them there!
