

Checkin is 2:30-3:30 the day camp starts and pickup is 11am on last day of camp

## Preparing for Camp

Please make sure that if your student is bringing ANY medications with you, to please have a ziplock bag, with each medication inside the bag. And then have a notecard with the camper's name on the card, and detailed information about WHEN and HOW MUCH of the medication is to be taken. The more information we can provide, the better off we'll be.

Please be ready to pay your account balance when you drop off your camper. We will be accepting cash and checks at registration on the first day of camp.

The next thing I'd like to tell you, is to SAVE THE ADDRESS of Camp! GPS can be your best friend when driving to our camp facility!
